Opening Statement

Welcome, Commander

What this rule book contains

How to use the rule book

Quick Reference

Core terminology

Essential controls

Core gameplay sequence

Important numbers

Deployment Budget overview

PART I — CORE CONCEPTS OF AUTONOMOUS WARFARE

Chapter 1 — What Obsidian Protocol Is

Game identity

Core fantasy

What makes the game different

Command versus control

Autonomous warfare

Chapter 2 — The Player

Commander role

Strategic decision-making
Tactical decision-making
Command Intent philosophy
What the player controls
What the AI controls

Chapter 3 — The Battlefield

Battlefield structure
Ground
Air
Sea
Terrain
Structures
Strategic locations
Information environment

Chapter 4 — The Core Gameplay Loop

Prepare
Configure
Deploy
Command
Observe
Adapt
Engage
Recover
Conclude

Chapter 5 — Understanding Autonomy

Autonomous units
Decision-making
Goals
Priorities
Context
Adaptation
Failure
Recovery

PART II — GAME STRUCTURE

Chapter 6 — Game Setup

Chapter 7 — Match Structure

Chapter 8 — Players, Teams, and Factions

Chapter 9 — Units and Unit Categories

Chapter 10 — Unit Roles

Chapter 11 — Unit States

Chapter 12 — Ownership and Fleet Organization

PART III — COMMAND INTENT

Chapter 13 — Command Intent System

Chapter 14 — Creating Intent

Chapter 15 — Assigning Intent

Chapter 16 — Objectives

Move, Secure, Defend, Recon, Attack, Escort, Search, Rescue, Patrol, Suppress, Breach, Pursue, Retreat, Reinforce, Support, Hold, Withdraw.

Chapter 17 — Priority

Chapter 18 — Rules of Engagement

Chapter 19 — Aggression and Risk

Chapter 20 — Formation and Movement

Chapter 21 — Fallback Orders

Chapter 22 — Conflicting Orders

Chapter 23 — Command Hierarchy

Chapter 24 — Command Failure

PART IV — AUTONOMOUS WARFARE

Chapter 25 — Autonomous Decision-Making

Chapter 26 — Tactical Behavior

Chapter 27 — Strategic Behavior

Chapter 28 — Threat Assessment
Chapter 29 — Target Prioritization
Chapter 30 — Formation Behavior
Chapter 31 — Flanking
Chapter 32 — Suppression
Chapter 33 — Breaching
Chapter 34 — Reconnaissance
Chapter 35 — Pursuit
Chapter 36 — Retreat
Chapter 37 — Reinforcement
Chapter 38 — Support
Chapter 39 — Replanning and Adaptation
Chapter 40 — AI Personality and Doctrine
Chapter 41 — Autonomous Failure
Chapter 42 — Recovery

PART V — INFORMATION WARFARE

Chapter 43 — Sensors
Chapter 44 — Detection
Chapter 45 — Identification
Chapter 46 — Vision
Chapter 47 — Thermal
Chapter 48 — Lidar
Chapter 49 — Radar
Chapter 50 — Sonar
Chapter 51 — Acoustic Detection
Chapter 52 — Signal Detection
Chapter 53 — Sensor Fusion
Chapter 54 — Information Confidence

Chapter 55 — Unknown and Stale Information

Chapter 56 — Communication

Chapter 57 — Command Networks

Chapter 58 — Relays and Data Links

Chapter 59 — Communication Degradation

Chapter 60 — Electronic Warfare

Chapter 61 — Information Denial

PART VI — UNIT OPERATIONS

Chapter 62 — Ground Units

Chapter 63 — Ground Movement

Chapter 64 — Air Units

Chapter 65 — Air Movement

Chapter 66 — Sea Units

Chapter 67 — Naval Movement

Chapter 68 — Command Units

Chapter 69 — Experimental Units

Chapter 70 — Unit Damage

Chapter 71 — Disabled Systems

Chapter 72 — Unit Destruction

Chapter 73 — Repair and Recovery

Chapter 74 — Fuel and Energy

Chapter 75 — Ammunition

PART VII — COMBAT

Chapter 76 — Combat Fundamentals

Chapter 77 — Targeting

Chapter 78 — Weapons

Chapter 79 — Hitscan Weapons

Chapter 80 — Projectile Weapons
Chapter 81 — Ballistics
Chapter 82 — Accuracy
Chapter 83 — Range
Chapter 84 — Damage
Chapter 85 — Armor
Chapter 86 — Penetration
Chapter 87 — Explosions and Area Effects
Chapter 88 — Critical Damage
Chapter 89 — Component Damage
Chapter 90 — Combat States
Chapter 91 — Destruction
Chapter 92 — Combat Feedback

PART VIII — DEPLOYMENT

Chapter 93 — Deployment System
Chapter 94 — Deployment Budget
Chapter 95 — Deployment Points
Chapter 96 — Unit Deployment Costs
Chapter 97 — Available Deployment
Chapter 98 — Deployment Zones
Chapter 99 — Deployment Eligibility
Chapter 100 — Army Composition
Chapter 101 — Deployment Restrictions
Chapter 102 — Deployment Confirmation
Chapter 103 — Match Start Lock
Chapter 104 — Deployment Failure

PART IX — RESOURCES AND LOGISTICS

Chapter 105 — Resource System
Chapter 106 — Meat
Chapter 107 — Wood
Chapter 108 — Coal
Chapter 109 — Iron
Chapter 110 — Alloy
Chapter 111 — Electronics
Chapter 112 — Fuel
Chapter 113 — Energy
Chapter 114 — Storage
Chapter 115 — Production
Chapter 116 — Consumption
Chapter 117 — Logistics
Chapter 118 — Resupply
Chapter 119 — Resource Recovery

PART X — MANUFACTURING AND FLEET

Chapter 120 — Manufacturing
Chapter 121 — Fabrication
Chapter 122 — Manufacturing Requirements
Chapter 123 — Manufacturing Queues
Chapter 124 — Repairs
Chapter 125 — Salvage
Chapter 126 — Recycling
Chapter 127 — Fleet Ownership
Chapter 128 — Garage
Chapter 129 — Storage
Chapter 130 — Customization
Chapter 131 — Equipment

Chapter 132 — Unit Configuration

PART XI — COMMAND FACILITY

Chapter 133 — The Facility

Chapter 134 — Command Center

Chapter 135 — Fleet HQ

Chapter 136 — Main Hangar

Chapter 137 — Air Operations

Chapter 138 — Ground Vehicle Bay

Chapter 139 — Drone Showroom

Chapter 140 — Command Unit Chamber

Chapter 141 — Experimental Containment

Chapter 142 — Naval Facility

Chapter 143 — Repair Stations

Chapter 144 — Paint and Customization

Chapter 145 — Weapons and Equipment

Chapter 146 — AI / Personality Lab

Chapter 147 — Fabrication Facility

Chapter 148 — Deployment Staging

PART XII — WORLD AND ENVIRONMENT

Chapter 149 — World Structure

Chapter 150 — Terrain

Chapter 151 — Roads and Infrastructure

Chapter 152 — Structures

Chapter 153 — Water

Chapter 154 — Weather

Chapter 155 — Day and Night

Chapter 156 — Visibility

Chapter 157 — Environmental Effects

Chapter 158 — Destruction

Chapter 159 — Battlefield Changes

PART XIII — MULTIPLAYER

Chapter 160 — Multiplayer Fundamentals

Chapter 161 — Servers

Chapter 162 — Players and Teams

Chapter 163 — Replication

Chapter 164 — Authority

Chapter 165 — Multiplayer Combat

Chapter 166 — Multiplayer Deployment

Chapter 167 — Multiplayer AI

Chapter 168 — Disconnects and Reconnection

Chapter 169 — Late Joining

Chapter 170 — Network Failure

Chapter 171 — Competitive Integrity

PART XIV — UI AND COMMAND INTERFACE

Chapter 172 — Command Interface

Chapter 173 — Battlefield HUD

Chapter 174 — Unit Interface

Chapter 175 — Sensor Interface

Chapter 176 — Communication Interface

Chapter 177 — Autonomy Interface

Chapter 178 — Command Interface

Chapter 179 — Strategic Map

Chapter 180 — Tactical Map

Chapter 181 — Minimap

Chapter 182 — Deployment Interface

Chapter 183 — Alerts and Notifications

Chapter 184 — Intelligence Interface

PART XV — VR OPERATIONS

Chapter 185 — VR Fundamentals

Chapter 186 — VR Setup

Chapter 187 — Locomotion

Chapter 188 — Physical Interaction

Chapter 189 — Command Station

Chapter 190 — Operator Stations

Chapter 191 — Ground Vehicle Operation

Chapter 192 — Air Vehicle Operation

Chapter 193 — Naval Operation

Chapter 194 — Sensors in VR

Chapter 195 — Targeting in VR

Chapter 196 — Weapons in VR

Chapter 197 — VR Communication

Chapter 198 — VR Comfort

PART XVI — PROGRESSION AND ECONOMY

Chapter 199 — Player Progression

Chapter 200 — Unit Progression

Chapter 201 — Unlocks

Chapter 202 — Research

Chapter 203 — Achievements

Chapter 204 — Rewards

Chapter 205 — Credits

Chapter 206 — Store

Chapter 207 — Cosmetics
Chapter 208 — Garage Slots
Chapter 209 — Convenience Purchases
Chapter 210 — Competitive Integrity
Chapter 211 — Anti-Pay-to-Win Rules

PART XVII — MISSIONS AND CAMPAIGN

Chapter 212 — Missions
Chapter 213 — Objectives
Chapter 214 — Mission Briefings
Chapter 215 — Intelligence
Chapter 216 — Mission Events
Chapter 217 — Mission Failure
Chapter 218 — Mission Completion
Chapter 219 — Campaign Progression
Chapter 220 — Campaign Consequences

PART XVIII — MATCH OUTCOMES

Chapter 221 — Victory
Chapter 222 — Defeat
Chapter 223 — Objectives and Scoring
Chapter 224 — Battlefield Results
Chapter 225 — Tactical Review
Chapter 226 — Rewards
Chapter 227 — Progression After Battle
Chapter 228 — Fleet Recovery

PART XIX — REFERENCE

Chapter 229 — Unit Reference

Chapter 230 — Weapon Reference
Chapter 231 — Equipment Reference
Chapter 232 — Resource Reference
Chapter 233 — Sensor Reference
Chapter 234 — Command Reference
Chapter 235 — Objective Reference
Chapter 236 — Status Reference
Chapter 237 — Combat Reference
Chapter 238 — Deployment Reference
Chapter 239 — AI Behavior Reference
Chapter 240 — Terminology
Chapter 241 — Acronyms
Chapter 242 — Frequently Asked Questions

APPENDICES

Appendix A — Quick Start
Appendix B — First Match Guide
Appendix C — Command Intent Quick Reference
Appendix D — Objective Quick Reference
Appendix E — Rules of Engagement Quick Reference
Appendix F — Combat Quick Reference
Appendix G — Deployment Budget Quick Reference
Appendix H — Unit Classification Chart
Appendix I — Weapon Classification Chart
Appendix J — Sensor Classification Chart
Appendix K — Resource Chart
Appendix L — Status Effects
Appendix M — Damage States
Appendix N — Multiplayer Rules

Appendix O — VR Controls

Appendix P — Accessibility

Appendix Q — Troubleshooting

Appendix R — Version History
